Advanced Cardiovascular Sonography Program

Cohort #6 – January, 2026 to July, 2027

UNDERSTANDING PROGRAM REGULATIONS

Name: *(Please Print)* _____

- I understand CRMC reserves the right to revise enrollment requirements, program prerequisites and/or selection procedures at **ANYTIME**.
- I understand it is my responsibility to meet enrollment requirements, program prerequisites, to follow proper application procedures and to keep informed on revisions regarding the program.
- I understand that if I submit an application packet that is incomplete, or does not meet enrollment requirements, program prerequisites/application requirements, it will be returned to me with an explanation of why it was returned and the date of submission of my application becomes null and void.
- I understand that after my application is accepted and verified, it is my responsibility to notify the Program Director at CRMC.
- I understand that if I am admitted into the program, failure to notify the Program Director with a "Confirmation of Acceptance" in the allotted time prescribed constitutes grounds to assign my position to an alternate. My name will also be removed from the enrollment list.
- I understand that if I am admitted into the program and I must decline acceptance, my slot will go to the next student on the enrollment list.
- I understand that if I fail to successfully complete the first course level of the Advanced Cardiovascular Sonography Program and wish to re-enter, I will be considered a new applicant and all new program fees will be applied.
- I understand that CRMC is not a Federal Student Aid (FSA) eligible educational institution. I understand that I will not be able to take advantage of any FSA grant, loan, work study, or G.I. Bill programs. I understand that I will not be issued a yearly IRS Form 1098-T for obtaining education-related tax credits and that I will not qualify for the deferment of my previous student loans (if any).
